

BOLTON SCHOOL DONATIONS COMMITTEE

AUDITORIUM CHAIR PLAQUES

Need an idea for a teacher's gift or a graduating 8th grader??

Consider purchasing an auditorium chair plaque to honor your special person. Your donation of \$100 for each plaque will be used to enhance the schools music program and to cover auditorium related purchases.

When the Florence Sawyer School was being built, auditorium chair plaques were sold to raise money for enhancements to the auditorium beyond the budget of the auditorium. People purchased plaques for their families, and many plaques were purchased to honor other individuals. There are still many "empty seats" in the auditorium, so if you wish to purchase a plaque for yourself, a family member, a graduating student or that special teacher or administrator, please fill out the form below and send it to the main office of Florence Sawyer with a check.
